

SAVE MORE... GET MORE!

Save with Epson's Projector & Document Camera Bundle

We've paired one of our most popular projectors for education with our DC-10s Document Camera...so you can give more teachers the power to enhance instruction for every learner.

The PowerLite[®] 83+ projector delivers bright, vibrant color images and an energy-efficient lamp that lasts up to 4,000 hours*. And our document camera gives you the flexibility and functionality teachers need to engage students in instructional content with its ability to display two full pages and split-screen images.

Count on the Brighter Futures program to deliver value and savings on essential technology you need in the classroom.
