Computer Hardware *Education*

Mimio Certified Training

All Mimio training sessions are conducted by Certified Mimio Trainers. You can sign up for the Computer Hardware University Program based on your skill level. Depending on group size, face-to-face training is held at either Computer Hardware's training center or on-site at your location.

Looking for more individual attention?

We offer our One-on-One Program that Allows you to have a personalized experience with one of our certified trainers.

For more details and pricing contact us.
Education direct: 402-460-7592
gavinr@computerhardwareinc.com
